Next chapter meeting will be held on April 25th 2017.
Location TBA.

1st Quarter Texas ENA Meeting

Member in the Spotlight.

Ingrid Steinbach RN, BSN, CEN

Ingrid has been a member of Emergency Nurses Association (ENA) since 1990 and has practiced nursing since 1987. Her passion for emergency services has led her to work primarily in the emergency department since 1992. Ingrid is a firm believer that every nurse can make a difference at every level of healthcare from the bedside to the administrative level because nurses impact patients, their families and our community on a daily basis. Her desire to share her knowledge to newer generations is evident in her teaching of the Trauma nursing Core Courses (TNCC) and Emergency Nursing Pediatric Course (ENPC) since 2006. “If your passion is unlimited the difference you can make is boundless” she says. Ingrid’s nursing experience and advocacy has positively impacted many nurses earning her the 2010 Nursing Professionalism Award and the 2013 Nursing Manager of year Award from Texas ENA. Over the years, Ingrid has served the ENA at local and state level in different capacities from treasurer to chapter president in 2016. Ingrid loves the camaraderie of the Emergency Nurses Association and the support it provides during these very challenging times in healthcare. The Rio Bravo Chachalaca’s is blessed to have Ingrid Steinbach as a member and serving as our current Immediate Past President this year.

Delegates Aurora Magaly Rocha and Jenifer Noble.

Marcia Fuller conducting Texas ENA business.

1st Quarter Texas ENA Meeting was held in San Antonio Texas on January 13, 2017.
