ENA University Mobile App Overview

Students can access the following features in the ENA University Mobile App:

- TNCC/ENPC Courses they are currently taking:
  - Pre-course Modules
  - Post-Course Evaluation
  - Online Exam
- Other ENA Courses they are currently taking
- Browse and Purchase Educational Products
- Access Library for Practice Resources

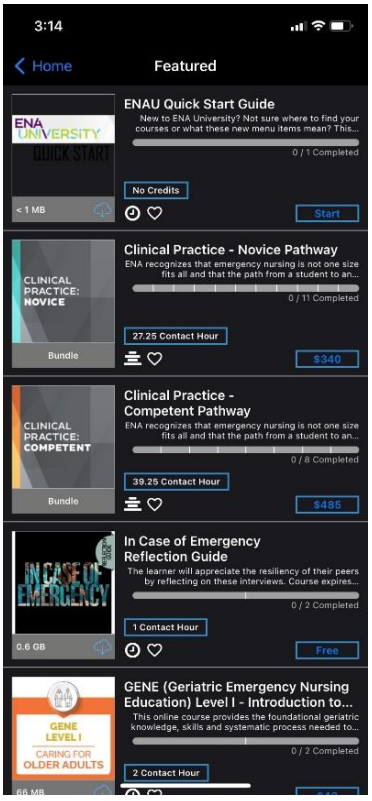

Download the app from Google Play App Store or the Apple App Store. GET IT ON Google Play Download on the App Store	
An Initial Screen/Login Screen will appear immediately after downloading. *NOTE: Students must have an existing ENA account to be able to log in.	

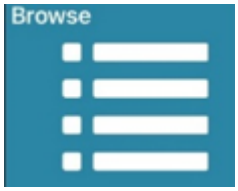

The Main Menu screen will appear after logging in.

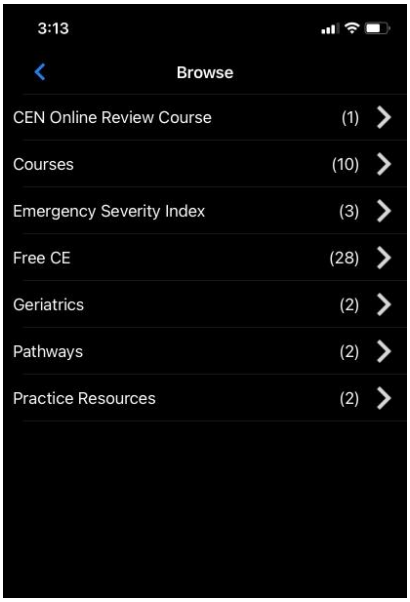

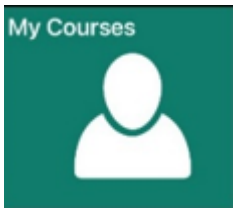

Featured shows a list of select ENA courses.

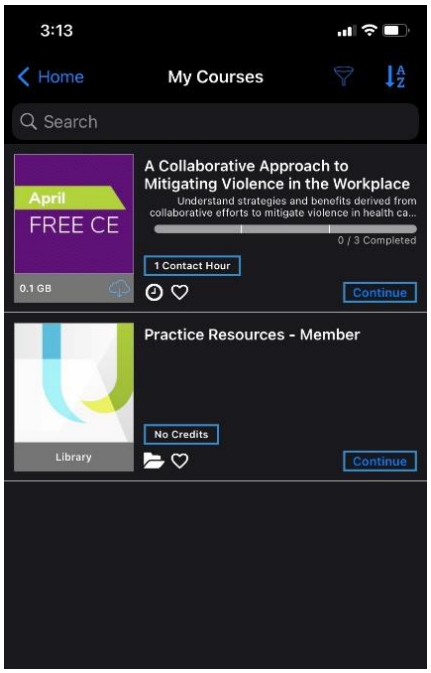

Browse allows students to browse ENA courses by category.

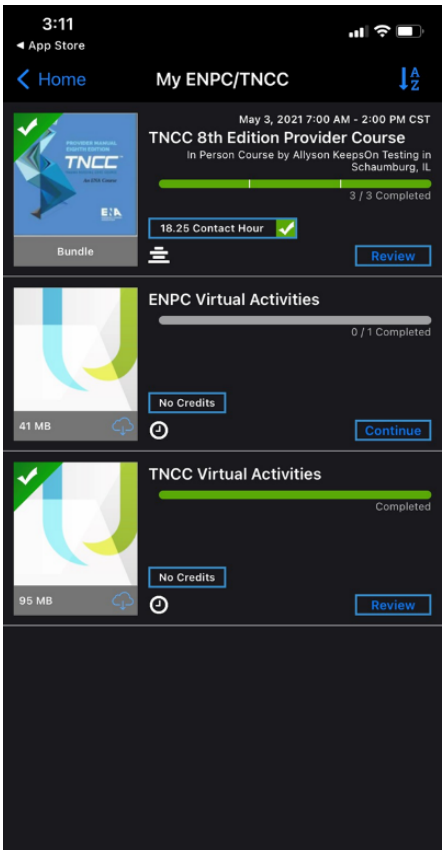

My Courses lists all ENA courses the student is currently taking or has taken in the past.

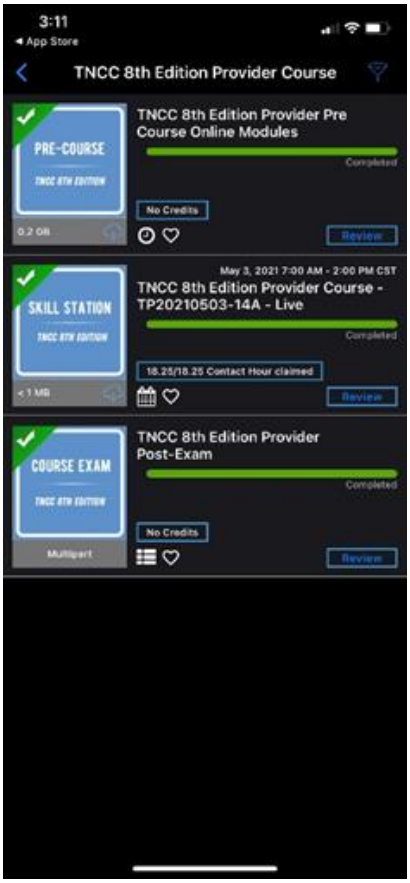

My ENPC/TNCC Courses lists all ENPC and TNCC courses the student is currently taking or has taken in the past. It will also include Virtual Activities if user has them in their account.

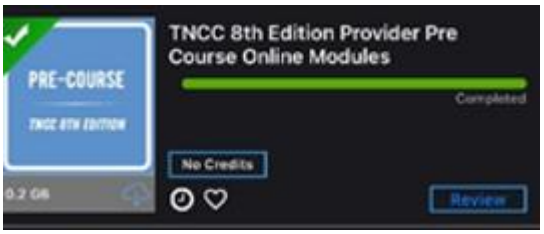

*NOTE: The user needs to already be registered for ENPC or TNCC for anything to show in this section.

Clicking on a TNCC or ENPC course will show the Pre-Course Module, Live Course and Exam tiles.

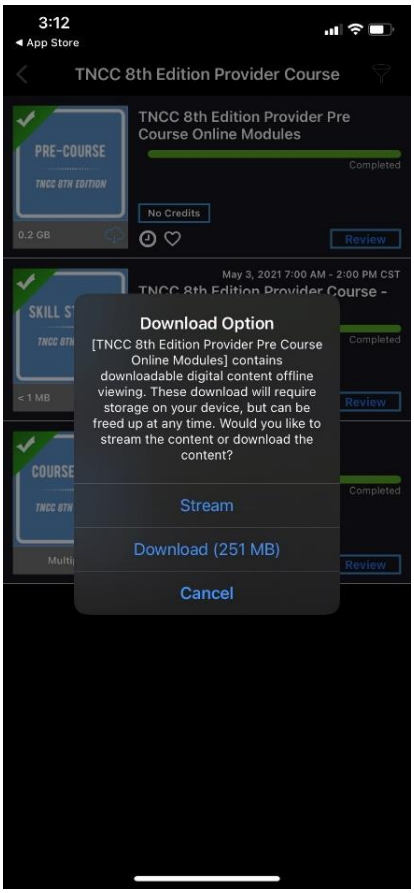

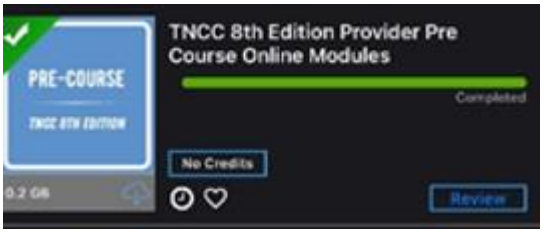

Clicking on any of the course tiles will ask the student to choose a Download Option.

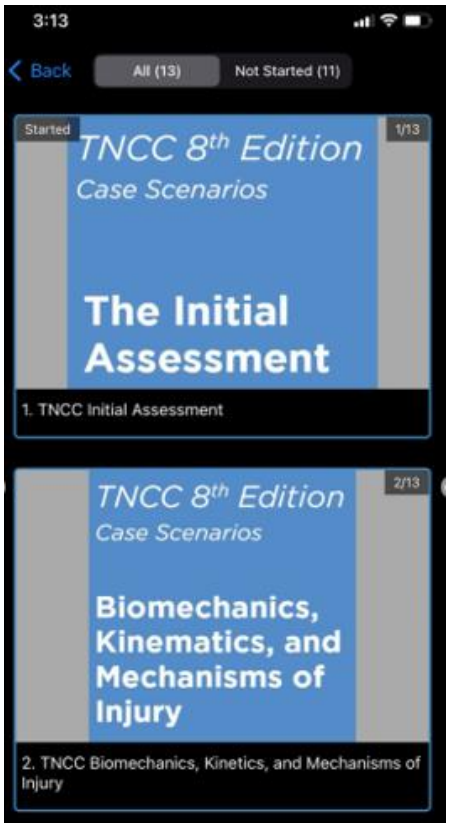

Stream will use Wifi/Internet to access the course.

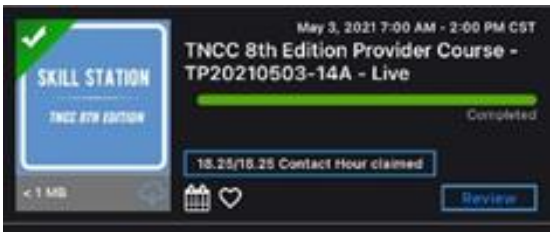

Download will use phone storage so they can access the course offline.

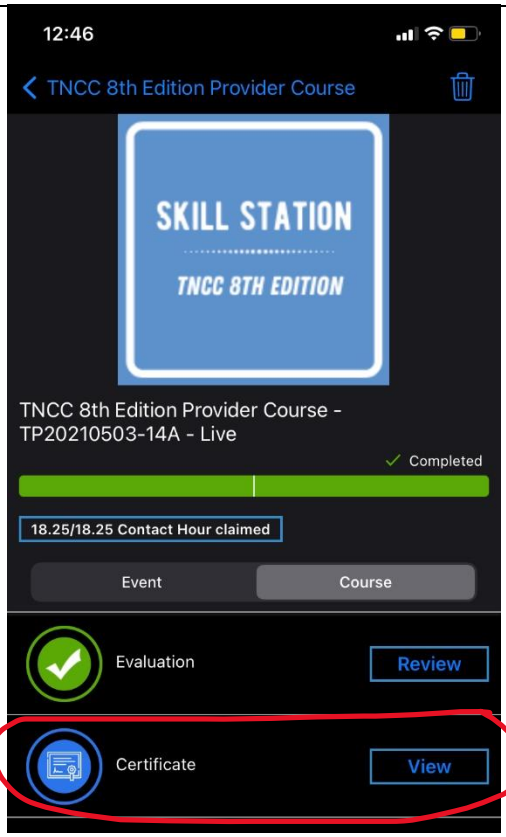

After selecting the Download option, the student can start working on the pre-course modules.

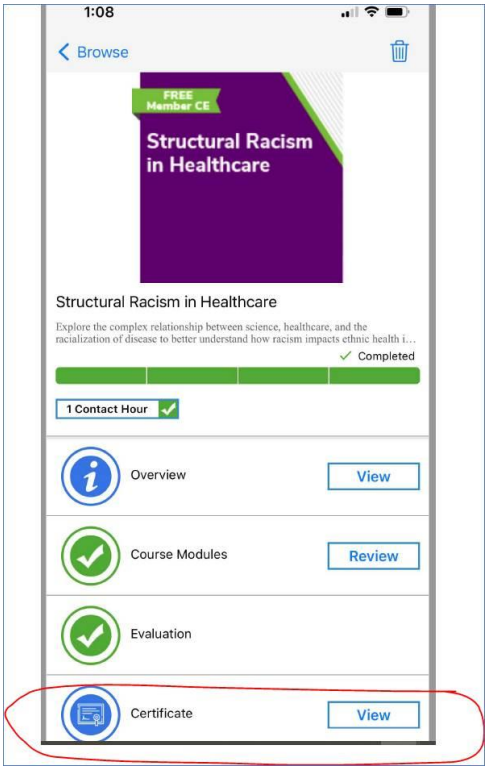

After completing the full ENPC/TNCC course, students can access their CE certificate by clicking on the “Live” course tile and scrolling down to “Certificate.”

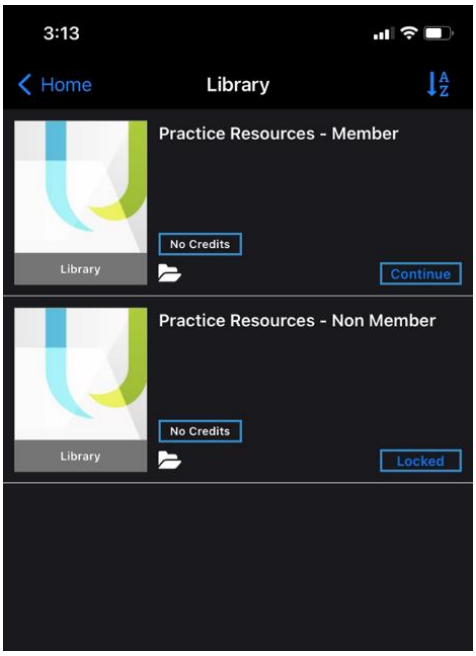

Once a course has been fully completed, students can access their CE certificates by selecting the course and scrolling down to “Certificate.”

Library provides access to all of ENA's Practice Resources.

The Sandwich Menu on the top left-hand side of the screen provides access to:

- Home
- Settings
- Support
- Message Center
- Log Off
